

Come Join Us in Celebrating George Bommarito's Life

Over the holiday weekend we lost our Brother George to a tragic accident. He was an active member of our department for the past seven years serving as a Firefighter/EMT, also a ski patrol member at Nub's Nob, and was many more things to many other people.

We will be celebrating his life Wednesday, June 4th, 2014 from 5pm to 7pm at the Springvale Township Fire Hall (8198 E. Mitchell Rd., Petoskey). The Family has asked that this be a Non-Formal event (no uniforms), which we will honor and ask you do the same.

If you have a story of George that you would like to share with everyone, please feel free to at this event.

If your department would like to bring a truck to help show his family how much of an impact George made on our Brotherhood, it would be appreciated. Please contact Kevin Shaw (231)-838-0237 or sfd4796@yahoo.com if you are bringing an apparatus or if you have any questions.

Thank you,

Springvale Township Firefighters
